

MEETING OF C. P. R. CONTRACT HOLDERS

Farmers, who are C. P. R. Contract holders, and some who are not and others interested to a number of about 150 gathered Friday night in the Memorial Hall in response to the Public Notice announcing that a meeting would be held to be addressed by Mr. C. H. Powell, L. M. McMe, M. L. A. for Bow River, Mr. Axel Larsen, successful farmer at Strathmore, also spoke.

The purpose of the meeting was to induce farmers of this district to elect a committee of three to confer with similar groups from surrounding towns, from which a larger committee of possibly forty men will be negotiating with the C. P. R. towards securing direct ownership of the new C. P. R. lands, along the same plan as was adopted by the Brooks district last year.

Mr. McMe, one of the speakers, also acted as chairman.

In his address he said the farmers if united can get full possession of the Western Block and take full responsibility. He stated that the farmers of the Eastern section are being helped where they had none before. He praised the treatment given by the C. P. R. but stated the farmers were being under impossible conditions. He urged the men to incorporate under the District Irrigation Administration plan and save the ditch equipment. The Eastern section had been given everything, lock, stock and barrel, and \$300,000 in cash.

Mr. W. E. Cain, member of the Bow River viewed to state emphatically this present plan had no connection with politics. He said the Social Credit Party has nothing to do with the project, as some were thinking. Their aim is to get farmers to organize, to stabilize their own business. The speaker stated that the previous opponents of the Eastern project are now supporters and are now buying land because they can see some hope. He urged those interested to invest early. He stated the conditions would hurt no man and eventually all in the C. P. R. Co. would benefit by upbuilding the district all would share in the greater prosperity. All industry hinges on the agricultural industry.

Mr. Powell, solicitor, who had promoted the Brooks project with the C. P. R. announced that he spoke with the full permission of the head office of the C. P. R.

During the C. P. R. tenor, their loss had been \$400,000 annually while in the first year of the operation they had made a gain of \$6000. He stated the Eastern section comprises about 1,250,000 acres.

Only the wet land is being farmed, the rest being grazed, in the Western and Central areas about 500,000 acres are involved, in the latter section is more densely populated and the number of dry farms is much larger than the wet farms, because the problem is in many respects different to the Brooks problem. The objective however is the same.

The main aim of the sponsors will be the purchase of all the agricultural assets of the company in that area at such a price that land purchase prices can be scaled down and the owners started off on a new road debt free.

Mr. Powell stated that the dry farmer can't be worked unless he has his head chopped off.

Alex Larsen of Standard spoke on the practicality of the benefit the scheme would be to the farmers and he urged all to get behind the movement to the utmost.

The chairman called for nominees for a committee. Some objection was taken to this as some present felt there was no need for such haste in no important an undertaking and such

U. F. A. MEETING

A meeting of the Strathmore Local of the U. F. A. was held in the Municipal office Wednesday, Sept. 30 at 2:30 o'clock.

There was a fair attendance of members present.

The meeting took up their time discussing a circular letter from head office regarding the need for an effective wheat board. Next, assistance for seed, feed, oil, etc. Policy of municipal councils and the provincial Govt on tax sales of land, the effect of the debt reduction bill, 1936, and a host of other questions were dealt with.

The duet sung by Mr. and Mrs. Wootton at the United Church Sunday evening was a very pleasing and suitable favor. Rev. Gilbert read a very telling message from the Moderator, Rev. A regular meeting of the Council of the Municipal District of Bow Valley No. 219 was held in the Municipal office on Tuesday, October 6th.

The meeting was devoted chiefly to a discussion of the relief problems arising in this district from drought and hail. A relief committee was formed and the policy of the Council will follow along the lines of the Provincial Government's policy when it is definitely decided. The whole matter of Feed, Fodder, Shipping Rates and Moving of cattle from the district was thoroughly discussed with the Government Fieldman in charge of this district.

The Provincial Government's policy in these matters has not been determined at the present time though it is expected that it will be forth coming very shortly. An effort to obtain assistance for road work under the winter of this district, Games tied in the remainder of the evening.

There Are Differences

Is there any difference between Pool elevators and line
elevator companies? The latter seem anxious to prove
that both are the same, but there are several essential dif-
ferences.

1. Alberta Pool Elevators are the property of 12,000
grain producers. They are built for service and not for
profit. This is not the case with line elevator companies.

2. The finances and operations of line elevators are
an open book. Each year they are scrutinized by seventy
delegates who are representatives of the producers. The
detailed operations of the whole system and of each and
every Pool elevator are thus obtainable from elected del-
egates. Is there one line elevator company who will pro-
vide customers with such information?

3. The Pools use the grain exchange. But this does not
help an unscrupulous attitude towards that organization.
The Pools believe that the demonstrated weakness of the
speculative system during the depression had a serious re-
sult in the collapse of agriculture, and that a national
board would have offered greater protection. The line
elevator companies are not in favor of a national

THANKSGIVING

Dear God, Thou art a God of strength
and beauty;
Thou art the mighty Keeper of the
Sea;

Thou givest us our life, our faith, our
seeing,
And we so small . . . what can we
give of might?

Thou givest us the sun, the hills, the
rainfall,
Clear eyes to see the daybreak and
the night,

A mind to fathom truth and follow
straightly—
And we so small . . . What can we
give of might?

Thou givest us the love of little
children,
The quiet shining of the passing
day,

The flow of peace within a burning
heartache—
And we so small . . . what can we
give of say?

(S. May in Western Farmer).

CONTRACT HOLDERS' MEETING

There are various reactions follow-
ing the meeting of Friday evening to
discuss the exceedingly important and
far-reaching problems connected with
the winding up or continuing of the
C.P.R. irrigation contracts.

Why such haste? Another meeting
in a month's time after all had had an
opportunity of learning more of the
details, would enable all to have a
more intelligent understanding of the
situation, as to the success following the
Brooks "take over" one hears differ-
ent views.

There are those who disagree with
the great prosperity in the Brooks
area, being general and Brooks has
been fortunate that the district has
an excellent crop this year. It has
been a lean year—what then?

It was an unfortunate circumstance
which induced the Carseland delec-
tion to leave in a body, and it is very
difficult if these men will receive
kindly, any future negotiations.

A little less haste in so big an un-
dertaking would seem to be a wiser
method.

MAGISTRATE TURNER

The summary dismissal of Magis-
trate Turner of Brooks does not meet
with approval by a people who have
held with pride to the fairness of
British law and Justice.

NAMAKA

Mrs. H. E. Thomson entertained the
Ladies Aid members and friends at
a meeting on Saturday at her home.

After the usual business routine, Mrs.
Wootter, retiring President who is
leaving to make her home in Chive-
dale, B. C. was presented with a quilt
made by the Ladies. Mrs. C. Watson

making the presentation and expres-
sing the regret we feel in Mrs. Woo-
ter's departure, but wishing her every
success in the future.

Mrs. Wootter replied expressing her
thanks and appreciation.

Mr. and Mrs. Roy Little are the
proud parents of a boy born in Cal-
gary last week.

A special Thanksgiving Service will
be conducted on Sunday, October 11.

We are glad to report Mrs. Wheeler
is somewhat improved.

Mr. and Mrs. Phillips and Mr. and
Mrs. Muckle of Arrowsmith spent
day at the home of Mr. and Mrs. C.
Mackie.

Mr. and Mrs. H. R. Brown were
guests Sunday at the home of Mr.
and Mrs. Eby.

Miss Mary Louise McBean arrived
home last week and is feeling fine.

Mr. Chester Peterson arrived home
during the week after several days in
the hospital due to blood poison from
an injured finger.

Continued from Page One

Could be in the way to peace on
earth. That is to say, the best hope
for the European countries is to get
into the kind of mutual relationship
now fortunately held between the United
States and Canada.

A Forgotten Dream

That this relationship is likely to
end in, or even move towards a political
union, is just a forgotten dream.

Because the political divisions of
America and Canada lie apart, they
they join perhaps in a world union.

HERVEY NOTES

We are sorry to report that Mrs.
Knapp had to be taken to the hospi-
tal last Saturday evening. The latest
word is that she is about the same.

Mr and Mrs Kindo and family ex-
pect to leave for Japan, immediately
after their sale next week.

Word has been received from Wen-
day, Alberta of the recent marriage
of Sidney Allport who used to live on
Gale Bros. farm. We extend best
wishes for much happiness.

A coyote was seen eating with a
hunch of pigs from a dead carcass. A
dog tried to join the party, but the
coyote drove him away and returned
to share his feast with the pigs.

The weed inspector has promised
to make a second visit to this district
very shortly.

so our social and cultural relations
can be all the closer. This follows as
a matter of geography and history.

Our crooks go back and forth ac-
ross the border; we even designate
them "international crooks" and "in-
ternational gamblers."

Language and Culture
Back and forth with the games
of crooks go flocks of students to
play hockey against Harvard or Dart-
mouth. Often you can't tell them
apart, except that the crooks are
quieter than the students. A little in-
ter or border of Canadians go to spend
Easter in New York, and in return we
get a rough looking lot of apparent
criminals with firearms and knives in
their belts, who are rich Americans
going to fish in the Gatuau.

The truth is that what we have in
Canada and the United States is what
all the world must get or perish. It is
universal peace or nothing. Machine-
ry prohibits war, out of war, contri-
buting as its supreme asset.

It is not a triumph of civilization
over savagery. It is a triumph of ma-
chinery over both.

DEATH OF MRS. KNAPP

The many friends of Mrs.
Wm. Knapp and family will
be deeply grieved to hear of the
death of Mrs. Knapp in a Calgary Hospi-
tal Wednesday night.

To the sorrowing husband,
son, and daughter and to
other relatives the sincere
sympathy of the community
is extended.

The funeral will be held in
Calgary at 2 p.m. Friday
from Foster & Foster's Fun-
eral Home, Interment being
made in the Burnside Cem-
etery.
